New: [Prom Dresses From \\$79](#)

High school prom is looming around the corner, and while we can't help you find a date, we can certainly help you find an amazing, interesting, and *inexpensive* dress or gown for the event. Whether you're shopping for yourself, a friend, a sister, or whoever, we found several gorgeous gowns, from traditional to quirky or sleek, starting at **\$79**. These dresses are sold from different retailers, so shipping costs will vary. (Once prom is over, instead of sticking that gorgeous gown in the back of your closet, try donating it to [DonateMyDress.org](#), which gives dresses to young ladies who can't afford to buy them.)
